OUR VISION

Multybyte is guided by a singular vision to lead the digital convergence movement.

We believe that through technology innovation today, we will find the solution we need to address the challenges of tomorrow. From technology comes opportunity for businesses to grow, for citizens in emerging markets to prosper by tapping into the digital economy, and for people to invent new possibilities.

It's our aim to develop innovative technologies and efficient processes that create new markets, enrich people's lives and continue to make Multybyte a trusted market leader.

COMPANY PROFILE

We, Multybyte, introduce ourselves as a computer peripherals and CCTV accessories company engaged in providing various IT-related products, including computer hardware, computer accessories, and networking products.

The company started its business in 2000 and established its credibility in the IT industry. From 2000 to 2012, we were known as Multybyte Computers. In 2013, we took a step forward and evolved into Multybyte. Over the years, Multybyte has continued to grow in the IT industry. We have established a distribution network across India and are engaged in importing computer peripherals and CCTV accessories. We have also introduced our own Multybyte brand and sell our branded products through e-commerce.

Multybyte has a qualified and experienced team of professionals and trained staff. Our team includes professionals with industry-relevant qualifications and certifications, including MCSE, CCNA, B.Com, BBA, BCA, MBA, and CCNP. We maintain a strong customer focus and cater to corporate and government customers.

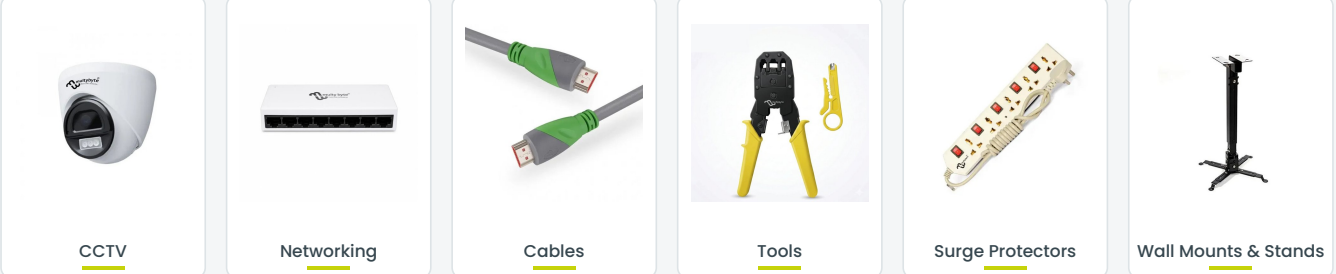

The company was established under the leadership of Mr. Jeevan Bothra, supported by a qualified marketing team. Mrs. Sonu Bothra subsequently joined the company as a director. Both directors oversee the organization's overall operations.

We have office and warehouse facilities covering approximately 10,000 square feet across our Delhi locations:

1. B-64, Vivek Vihar Phase-II, Delhi – 110095, India.
2. B-16/6, Lower Ground Floor, Jhilmil Industrial Area, Delhi – 110095, India.

Multybyte provides a wide range of IT, CCTV, networking, and related products under one roof. We serve resellers, home users, banks, schools, corporate organizations, and various government departments.

A GLIMPSE OF OUR RANGE

KEY POINTS

Multybyte grew into a global corporation by facing challenges directly.

In the years ahead, our dedicated people will continue to embrace challenges and come up with creative ideas to develop products and services that lead in their markets. Their ingenuity will continue to chart Multybyte's course as a profitable, responsible global corporation.

> *"Our aim is to gain technological leadership in the Indian marketplace even as our goal is to earn the love and respect of more and more of our Indian consumers."*
>
> — Mr. Jeevan Bothra, President & CEO, Multybyte
